DEDICATION

To those who have not only contributed to Taylor while students on her campus, but who have also taken the spirit of Taylor University with them to all parts of this earth, we dedicate this book. Because we, who are still students at Taylor, are praying for you, and you, who are Alumni, are praying for Taylor there is set up a bond of unity and strength which cannot help but make our school an effectively Christian witness throughout the world. We hope that as you glance at these pages you might see the spirit of Taylor, personified by the figure of "Tuey," and might again recognize the true spirit of the campus, that whether studying, playing, living together, or worshipping, we must in all things glorify God.

President and Mrs. Evan H. Bergwall

On October 17, Evan H. Bergwall was inaugurated as 16th President of Taylor University. Since their appearance on our campus, President and Mrs. Bergwall have come to mean much to the Taylor family. They, together, have shown us that through working as a unit, we can have a school in which we can be proud and one in which Christ, truly, has the preeminence.

The students have found the president to be a friend, one who is willing to counsel and advise wherever there is a need. His Spirit-filled life has been and will continue to be an example to all.

Dean Milo A. Rediger, A.B., A.M., Ph.D.

Dr. Rediger returns to us this year as Dean of the College and to teach in the Department of Religion. He exemplifies the friendly atmosphere of Taylor through his consideration of students and faculty and his consistent Christian testimony.

Burt W. Ayres, A.M., Ph.D., LL.D.

Dr. Ayres, Vice-President Emeritus, is the one to whom the Ayres Memorial Library has been dedicated. He has been a familiar figure on the campus for many years, during which time he served as Dean, professor of philosophy, vice-president and acting president.

The student body is grateful to Dr. Ayres for the influence toward God which he has exerted on Taylor's campus. It is with a deep sense of appreciation and gratitude that the students notice his life.

Ross McLennon

Ross McLennon is Vice-president in Charge of Financial Promotion. He represents Taylor in many different areas. His particular job is speaking at banquets, and services of all types to arouse interest in Taylor. He is, also, the sponsor of the Prohibition Oratorical Contest held annually on Taylor's campus.

The Board of Directors formulate the government policies of the college. The board is interested that Taylor University shall make a distinct contribution to the work of the evangelical churches and that it shall send its students back into their church groups to be loyal to the Christ of their faith.

Ralph Cummings, A.B., A.M.

As Director of Student Personnel Services and Assistant Professor of Philosophy, Prof. Cummings has a close relationship with the students on campus. His understanding and sympathetic guidance is appreciated by all.

Miss Mary Thomas
Dean of Women

The Dean of Women, Miss Mary Thomas, assumes her responsibility in a quiet manner which is both friendly and tactful. Her associations with the girls is one not only of discipline but is also one of loving guidance. Whether pertaining to spiritual or social needs, Miss Thomas' advice is sought and the desired need met. We are indeed fortunate to have a Dean who not only believes in Christian principles, but who also practices them.

STUDENT COUNCIL

Under the efficient leadership of Don Jacobsen, President, the Student Council this year has been active in every phase of life on Taylor's campus. In addition to planning annual activities, the Student Council this year revived the customary formal Christmas banquet which has not been held for several years. The Council sponsored the drive for blood donations and has been responsible for the traffic enforcement on the campus. The high light of this year's activities was the beginning of a student project which will extend over a period of several years. The project will be the completion of the school swimming pool. Throughout the entire year, the Student Council has led in the improving of relations between the Student body and the Administration. The accomplishments of their Council gives the entire student body the feeling that they have a part in the running of the school.

BUSINESS MANAGER

One of the busiest men on campus is the Business Manager, **Mr. Paul Keller**. His duty lies not alone in raising money for the continuance of the school, but also in making changes around the campus which will be most beneficial and economical. The students appreciate his sympathetic understanding and dealings with them.

ALUMNI SECRETARY

One of the new offices on campus is the job of Alumni Secretary which is being filled by **Wallace Good**. His duty calls for correspondence with all Taylor Alumni and keeps them posted on happenings on the campus and the ways which they can continue to be a part of the school. Under his office, the **Alumni Bulletin** goes out, causing a close tie to exist among all former students and graduates of Taylor University.

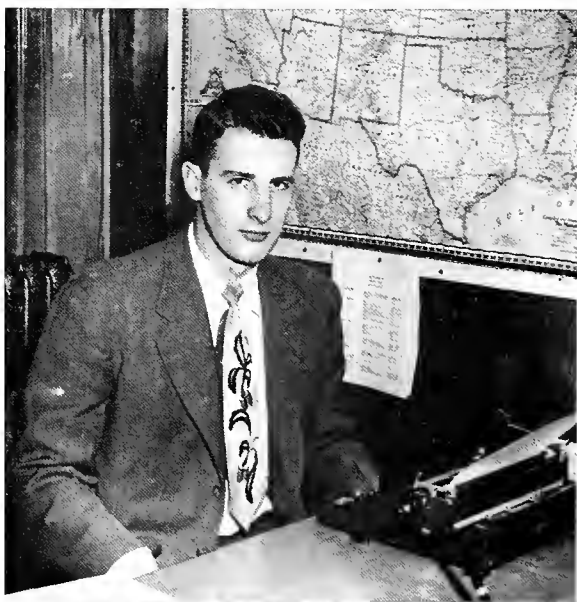

REGISTRAR

Miss Grace Olson, school Registrar, is the one who works behind the scenes getting students to enroll at Taylor. Her duties are numerous and extensive. Besides her work as Registrar, Miss Olson teaches in the History Department.

PUBLIC RELATIONS DIRECTOR

Acting as Public Relations Director, **Warren Lewis** has served the school well this year. In seeking for new ways and means of promoting the interests of the school, he has made others aware of Taylor through publicity and personal contacts.

SECRETARIES

Miss Roberta Kessler returns this year as secretary to President Bergwall. Her interest in anything pertaining to Taylor and the students on the campus makes "Robbie" liked by all.

Janet Benning is new this year on the staff and has taken the position of secretary to the Dean. Her friendliness and willingness to help her has made her a welcomed member of Taylor's family.

TYPING POOL

A graduate of '52, Jo Beghtel has acted as head of the Typing Pool this year. In spite of new machines and late reports she has managed to do her job with a cheerfulness which has been appreciated.

BUSINESS OFFICE STAFF

Long hours and longer financial reports have kept these girls busy throughout the year. Their competency and good will has brightened the activities of the business office.

SWITCHBOARD

Returning once again as Switchboard Operator, Mrs. Herber handles all calls on the campus besides taking charge of lost and found articles. Visitors can be sure of receiving information graciously and eagerly from this one who reflects Taylor's spirit.

Spring Revival

Through the week of February 15-22, Taylor was privileged to have the Lacour Crusaders on campus. The inspiring music and the soul-searching messages plus the informal discussion periods and the personal counseling added to the spiritual life of all on campus.

Missionary Conference

The annual Missionary Conference held November 6-9, was a challenge to all who took seriously the theme "Without Christ—Without Hope." Our speakers this year were Dr. Eugene Erny, chairman of the Oriental Missionary Society, Jack and Laura Trachsel, missionary teachers under the National Holiness Missionary Society, and Rev. Paris Reidhead, a graduate of T. U., who represented Africa and his work under the Sudan Interior Mission. Through the challenging and inspiring messages of these missionaries, the needs of the mission field were given and many hearts responded to the Master's call to "Go ye into all the world . . ."

Rev. Paris Reidhead, Jack Trachsel, Dr. Eugene Erny

Fall Revival

The Fall Revival meetings were held September 28-October 3 under the capable leadership of Rev. Hazen Sparks, pastor of the Methodist Church in Garrett, Indiana. Through the chapel, evening services and the informal discussion groups which met in the parlors each evening after the services, the lives of the students on Taylor's campus were lifted and inspired to new endeavors for Christ.

Holiness League

"The purpose of this organization is to promote Christian fellowship, to present a full gospel message, and to emphasize, particularly, the person and work of the Blessed Holy Spirit in relation to the life of holiness as taught in the Scriptures." In these words, the aim of Holiness League is set forth in its constitution.

The emphasis for this year has been a three-fold presentation of the deeper Christian life: doctrinal, practical, and historical.

The features for these Friday evening meetings have been guest speakers, faculty members, and students. As an annual project, Holiness League sponsors the sale of Christian literature during Youth Conference.

Ambassadors For Christ

"The object of this organization shall be to intercede in prayer for needs at home and abroad; to foster the evangelical missionary spirit in our college and in the surrounding country; to promote the study of missions; and to raise funds for this work." This, from their constitution, relates the objectives of Ambassadors.

During the year 1952-53, Ambassadors endeavored to present the missionary challenge through outside speakers and to strengthen the work of the missionaries in the various fields through their prayer meetings.

DR. BOB PIERCE, the Youth Conference Missionary speaker, is a United Nations War Correspondent for **Christian Life**. He was recently in Korea with Billy Graham and came to Taylor with a burden, as well as a wealth of knowledge and experience concerning the mission field in the Orient. Dr. Pierce is the President of World Vision, Inc., an organization engaged in much relief work.

Go
For
God

REV. HAROLD WALKER, Evangelist, was converted at the age of 16½ in a Rescue Mission on Skid Row in Detroit, Michigan. His ministry started twenty-four hours after his conversion. Since that time he has preached for over 30 religious denominations in 42 states, Mexico and Canada. He has conducted many union campaigns and services for Youth for Christ.

1953 YOUTH CONFERENCE

Backed by capable leadership and the fervent prayers of the students, the 1953 Youth Conference brought in 1303 students from 15 different states. Since its beginning in 1934, Taylor's Conference has grown in size and outreach until this year saw 3,200 persons squeezed into Maytag Gymnasium for the Sunday afternoon service. Approximately 200 first time decisions were made during the conference. Fifty missionary decisions were completed, as well as fifty others.

The Youth Conference Chorus was written by John Petroff and the words have caused many to pause and reflect on their Christian life and its effectiveness in the world.

Be strong for God
As the Lord thy God commanded thee,
Be not afraid, neither be dismayed
For the Lord thy God is with thee.
Onward for God,
Singing praises in His name
So Go for God
My prayer in Jesus Christ my Lord.

"The effectual, fervent prayer of a righteous man availeth much." Gospel teams to Europe and Formosa are backed by prayers of the student body and faculty.

The King's Men Quartet traveled during the summer of 1952 in Holland, Germany, and Norway under the auspices of Youth for Christ International. The thing which impressed the quartet most was the hunger of the Europeans for the Gospel. This they found especially in the German people who, having rejected the Gospel, have suffered immeasurably for it and are searching once more for something to satisfy their desires.

Nine hundred souls accepted Christ in the services in which the quartet participated and through letters received from their co-workers it can be seen that these revivals started last summer continued through the autumn and winter months. There is a great need in these countries for consecrated Christian workers.

VENTURE FOR VICTORY

They called it a Venture for Victory and that is truly what it was as a group of athletes from Taylor and a former Wheaton College net captain made a trip to the Orient during the summer of 1952 on a missionary venture, the unorthodox approach of basketball. It was Bibles and basketballs as the team set out for a summer in which they won 86 out of 87 games, conducted 169 services before 300,000 people, and saw over 10,000 indicate a personal desire to accept Christ.

The seven man team was composed of five Taylor varsity cagers: Don Granitz, John Nelson, Howie Habegger, Jack Jackson, and Norm Holmskog; Athletic Director and Coach Don Odle, and Bud Schaeffer, former Wheaton College star now studying at Fuller Seminary. Norman Cook, a former Taylor cager who with his wife already is in Formosa under YFC banners, joined the team in Formosa.

Raising their own finances, securing passports, playing two games a day on cement courts in the hot tropical sun, adjusting to food, sleep, and foreign groups of people plus being 12,000 miles from home presented a tremendous challenge to these "Christian Basketball Ambassadors." They used basketball only as a means to get men into the Kingdom of God. A new door to missions was opened as they played before an average crowd of approximately 4,000 twice a day.

To "Moms" Hislop, who has been our housemother, we wish God's richest blessings as she leaves us. We sincerely appreciate her untiring service to "her girls" and the spirit of love and sincerity which she has shown to each of us. Her desire to make dorm life more pleasant and cheerful has, indeed, made many new students feel right at home. We know that she will take with her the true spirit of Taylor as she does the sincere prayers of each student for a rich life ahead.

Mrs. Aleen Hislop

Mrs. Lila Haakenson

To Mrs. Haakenson and "Moms" Hislop the students are greatly indebted. The many complaints and ailments have been taken care of with a sympathetic understanding which has eased the life of the patient. Their willingness to help the needy student at any time, in any way possible, has made even the sick bed an enjoyable one.

Replacing the Dean of Men this year are two Head Residents. Mrs. Wingert is in charge of the boys in Wisconsin Dormitory and Mrs. Sine is in charge of the boys in Swallow-Robin, the Freshman dormitory. Making dorm life pleasant and homelike is their full time occupation. For their acts of kindness and consideration the boys say, "thanks."

Mrs. Gwendolyn Spidel comes to us this year as Head Cook and Dietician. Her desire to please the students in any way possible for both daily meals, banquets or special occasions has made her greatly appreciated and loved by all on campus.

"They also serve. . . ."

Whether it is fixing leaky pipes, broken furniture, mowing lawns, trimming shrubbery, or one of the many other duties performed by this group, the Maintenance Crew is always on hand. The campus this year has been beautified due to the care of these men, and heat has been supplied to make dorm life more pleasant. We appreciate their services which are often rendered behind the scenes.

SENIORS

The Senior Class Cane which was once looked upon as an unattainable object becomes a reality. The symbol of knowledge and experience is finally a part of the lives of the class of '53! The members of the class can now look back on their four years at Taylor. Don McFarland led the class as President during the Freshman and Sophomore years, Don Jacobsen became president for the Junior year and Gerald Close for the Senior year.

The Senior year has been full of unforgettable events from the Senior Comprehensives to the Jr.-Sr. Banquet held at the Anderson Country Club. The Class gift to the school was the television set which is now found in Recreation Hall.

The Senior Class is now going from Taylor into many different situations where the educational and spiritual values of Taylor will be put into active use. Whatever the future holds, the members of the Class of '53 will look back on Taylor as the place where their lives were dedicated to a high calling and where they determined to be an effective Christian witness in the world.

The Class will not be forgotten by the rest of the school, for Taylor's strength and progressiveness lies in the prayers of the students for one another and for those who have gone from her halls.

JUNIORS

The Junior Class under the capable leadership of John Wheeler has now met the qualifications to assume the leadership of all the underclassmen. During the transition year this class has presented the Junior Class play "Father of the Bride," directed by Betty Blom and the paid variety show under the direction of Ronald Townsend.

Another activity at which the Juniors were active was selling concessions at the basketball games in conjunction with the T-Club. The year was climaxed by the Jr.-Sr. Banquet held May 8 as one of the last functions which the two classes would celebrate together. In a very few months the Seniors will have relinquished their spot at the head of the academic roll to those of the class of '54.

... SOPHOMORES

There returned to Taylor this year, a class which was no longer "green" and ignorant of college ways, but a class filled with enthusiasm and devotion to help their school. The Sophomore Class displayed its motto "that I may know Him," on the emblem shield of white which graced their new cardinal class sweaters. This year it was their turn to properly initiate the newcomers to the campus. This was enacted with the Sophomores winning the girls' tug-of-war and the fellows sack race. The Sophomores extended a more loving hand to their subordinates by sponsoring a skating party for both classes. In school activities this class has taken a very active part, giving a Sophomore variety show under the direction of John Petroff. The spiritual tone of the class has been an encouragement to many as it strives to live the Christianity for which Taylor stands.

FRESHMAN

The Freshman were very much in evidence when the old students returned to the campus at the beginning of the year. It wasn't long before they were distinguished further by the bright green beany and the cutlandish costumes which the Sophomores dictated that they must wear. Here it was—Freshman initiation. After they were officially accepted into the Taylor family, the class of '56 immediately took its share of responsibilities in all the realms of Taylor life. They also developed class activities which nurtured their class spirit. In addition to their weekly class prayer meeting, the Freshman planned picnics, a barn party, a hayride which featured a carol-sing, and the Freshman-Sophomore party. The class was a guest of the Sophomore class at a skating party at Idyl Wyld. The second annual party for the Jefferson High School seniors was conducted by the Freshmen in front of the gymnasium shortly before the close of school. The Class of 1956 has been one of the largest freshman classes Taylor has had and it has made a profound contribution to every phase of Taylor's life this year.

Married Couples

On Taylor's campus there has been an abundance of trailers and residents of apartment houses in the past few years. Here, the married couples raise their families and go to classes. Whether it is at Sammy Morris Apartments or at one of the trailer courts, there is in evidence a willingness to help one's neighbor and to share in Christian fellowship.

Homecoming Events

On October 17, the annual crowning of the Homecoming Queen took place in Maytag Gymnasium. At this time Elizabeth Johnson was crowned Homecoming Queen. "Liz" is a sophomore who comes from Wheaton, Illinois. Her two attendants were Violet Goldsworthy and Phyllis Miller.

The Alumni program for Homecoming brought back many former students and quartets. Old memories were revived as Alumni sang, jokes and listened to readings. The true Taylor spirit was again exempifited as the graduates of ol' T. U. reminisced about the past and optimistically mentioned the future.

held at Maytag Gymnasium

Fine Arts Series

The guest artist for the second concert of the Fine Arts Series was **Pruth McFarlin**, America radio and concert tenor.

Mr. McFarlin has filled numerous concert engagements at universities, schools, churches, and before civic groups throughout the United States. Twice the leading soloist of the American Festival, he has also been featured in the Chicagoland Music Festival with the Grant Park Symphony Orchestra and is now featured over WLS of that city.

The first of the Fine Art Series presented **Mary Canberg**, American violinist. Miss Canberg has studied with Michael Press, Max Fischel and Hans Letz, and is a graduate of the Juilliard School of music where she held a fellowship for four years. She has been heard in concerts throughout the East and the Mid-West.

March 17 brought **Miss Esther Doyle**, Oral Interpreter, to Taylor's campus. For several years Miss Doyle has done professional lecture-recital work for the Royal and Redpath Bureaus in Boston. At present Miss Doyle is assistant professor of English at Juniata College where she teaches speech and play production and directs all student publications.

Maurice Dumesnil — Internationally known French concert pianist. After extensive tours in Europe, where he appeared with all the leading symphony orchestras, he came to the United States. His recent broadcasts and lectures over N.B.C. network have done much toward spreading a wider appreciation of contemporary French music in this country.

Junior Class Play

On December 5th, the Junior Class presented the play, "Father of the Bride," under the student direction of Betty Blom. The play, a comedy, is centered around a middle aged man whose daughter is planning to marry a "pair of shoulders." Max Meier was cast as the father, Gail Brenneman, the bride; and Mike Murphy, the prospective groom. The fine showing of this cast plus the cooperation given by the members of the class made this evening's entertainment one which was really enjoyed. The long hours of practice given by this amateur group was appreciated by each who saw the presentation.

Comedy of Errors

Under the direction of Miss Elsa Buckner, Speech teacher, and the Dramatic Arts Class, the school again witnessed another Shakespearean production. This year the production was "The Comedy of Errors" with Rex Gearhart and Paul Scott providing the main comedy parts as the twin brothers. The jesters, also twins, were portrayed by Ronald Townsend and Donald Sprunger.

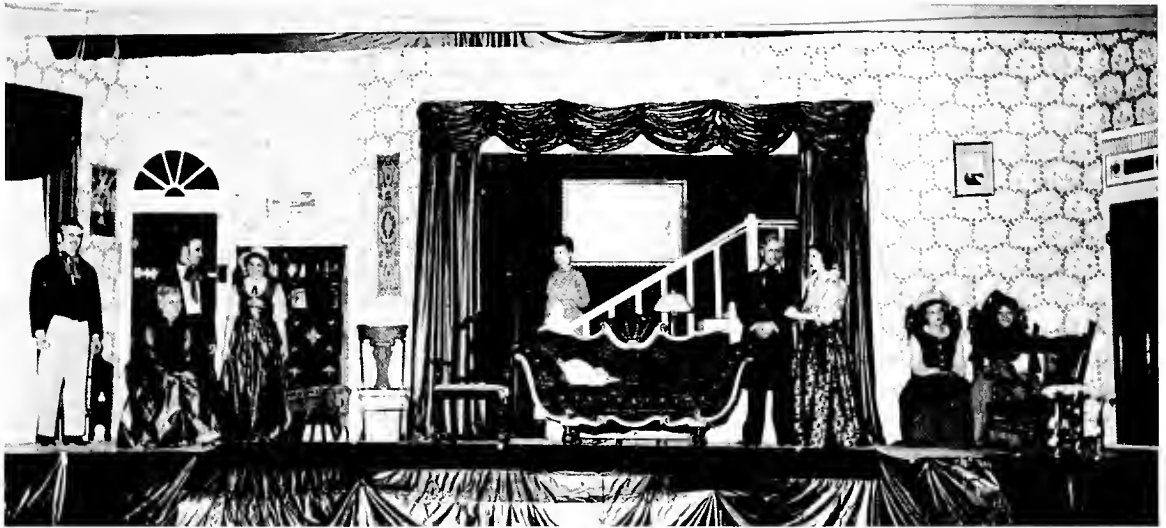

Rex Gearhart and Paul Scott

The cast of the play presented a comedy of two lost brothers who upon arriving in the same locality proceed to confuse people, places and things.

The school greatly appreciates the effort of its speech department to make the language and times of William Shakespeare live again through its play. Everyone has benefitted by this superb performance.

The Heiress

Realistic stage settings and superb acting made this play one of the best yet seen at Taylor. The long hours of practice, planning and interpretation were finally put into use as the Dramatic Arts Class under Mrs. Buckner's direction, once again provided an enjoyable evening of entertainment.

David Zehr, as Morris Townsend, and Rebecca LeShana as Katherine enact a scene from this play of a man's scheming to win a rich girl's love and money.

The cast was led by Guyvanna Truman, David Zehr, Rebecca LeShana, and David LeShana.

Robert Morgan, Associate Editor; Gladys Cleveland, Editor; David Pelton, Business Manager

The Gem staff hopes that through this book both present students and former students might see and acknowledge the friendly spirit which prevails on the campus of Taylor University.

The Echo Staff

The first semester publication of the ECHO had as its Editor-in-chief, Miss Mary Lee Wilson; and the second semester saw Herschel Engebretson take charge. The ECHO seeks to portray student life and happenings to enable both students and Alumni to enjoy the varied activities of school life. The Business Manager this year was Kenneth Fahl. Each department is headed by divisional editors who are in charge of the various phases of Taylor life.

Kenneth Fahl, Business Manager; Mary Lee Wilson, First Semester Editor and Herschel Engebretson, Second Semester Editor.

Pi Eta Chi Kappa

The Pi Eta Chi Kappa Society began the year with great enthusiasm and enjoyed the schedule of events laid out at the beginning of the year by the program chairman Kazue Iha. One of the opening events of the year was a hayride to a one-room school house where the group entered into the games and festivities of the occasion.

The main highlight of the year was Chi Kappa Rush Week which was led by Marion Unkenholz and Ronald Townsend. The theme of "television" was carried out in the presentation of the chapel program which portrayed the life of the great hymn writer, Fannie Crosby. From the banquet and evening program on "WXX-TV" the students saw an energetic group who work hard and actually enjoy it. Instead of campus decorations the group presented eight Bibles to the school to be placed in the parlor and in the prayer chapel.

In addition to their bi-monthly program, which included devotional periods, demonstrations, book reviews, musical studies, and other features, the Chi Kappas sponsored the Christian life film, "Great Discovery." With the enthusiastic spirit of their sponsor, Dr. Cross, and the capable leadership of Howard Mellott, President, the group feels that they have had a successful year.

The Thalonian Society is a society of long standing on Taylor's campus. Its year opened with the annual Rush Week centering around the theme, "A Pot of Gold," with Gail Brenneman serving as Rush Week Chairman. The Old Testament personage, Noah, returned to earth in the chapel presentation, and asked the negligent men of today, "What is your Goal?"

Throughout the year, under the leadership of Kenneth Fahl, President, the Thalons have organized various activities which have included a scavenger hunt around campus and a welcome party for their new members. They also sponsored the inspirational animated film, "Pilgrim's Progress." Their bi-monthly meetings have included interesting talks and demonstrations.

One of the oldest societies on campus is the Philaethean Society. Since its early days it has been a spirited organization which has made significant contribution to the life at Taylor.

The Philo Rush Week, led by Pat Crandall, brought a glimpse of the Orient. With Japanese lanterns and a Chinese menu, the banquet hall took on the air of a land in the Far East. The evening program gave us a world-wide scope of affairs as a United Nations Party was staged in the gym. Everyone came dressed as some member of the U. N. and under the leadership of the Philo sponsor, Miss Wingert, and Dave Zehr, President, the group joined together in hilarious relays, acts, and games.

IRC

The International Relations Club is a society of those who are interested in bettering relations between various racial and national groups.

The IRC this year sponsored the film "Fight for Peace" which many were privileged to see. It also presented interesting monthly meetings one of which featured Mrs. Wingert, who has done relief work in Europe. The group heard a missionary from China, Dr. DeVol, who has spoken widely since his return to the U. S. The Club has been interested in the work of other chapters and sent a delegate to the Mid-Western Division of the IRC.

Front Row: Dr. James Charbonnier, Dr. Julius Valberg, Bernadine Marker, Mrs. Lucia Rayle, Faith Dodge, Joanna Philippe, Gordon Barrows, Mary Murphy.

LANGUAGE CLUB

The Language Club had a successful and interesting year as it learned of other lands through language, description and pictures. One of the first meetings featured Hawaii with the students on our campus from that island presenting the program. Dr. Valberg and Dr. Charbonnier each presented incites into life in Europe as did Darwin Nutt in showing his slides of France. The year was climaxed by a sampling of a Spanish dinner.

ENGLISH CLUB

The English Club has had many interesting experiences this year as it listened to the recordings of the modern play "Hedda Gabler" and various recordings of the works of William Shakespeare. The club sponsored the showing of "The Scarlet Letter," and heard Mrs. Wingert give an account of her travels abroad in England. Other activities of this group included a party at the home of Dr. Hilbish, their sponsor, and a spring picnic.

CHI SIGMA PHI

Chi Sigma Phi is an organization of girls who are especially interested in domestic arts. Their ingenuity and initiative was displayed in their annual Christmas bazaar. The Home Ec Club is often called upon to prepare refreshments and to assist in various campus functions. The annual style show presented a modern "Cinderella" show which attracted people from campus homes and the surrounding communities.

FTA

The teachers-to-be at Taylor have the opportunity of belonging to the only organization on campus which had state and national organization, the Future Teachers of America. The State FTA Conference was held under the leadership of Dottie Cunningham, a Taylor student who is state FTA president.

The FTA held a Christmas Party and later presented an FTA banquet at which the president of the State Teachers Association was the guest speaker. The monthly meetings of the FTA presents outside speakers and excellent films on the subject of education.

MUSIC CLUB

The Music Club, which met for monthly meetings presented a number of excellent recitals which were climaxed by the Senior recitals of Wilma Augsburger and Robert Culbertson. The results of long hours of practice and drill were seen and heard at that time. A contest was staged for outstanding pianists with the first prize going to Marlene Short for her superb playing and the second prize to Donna Wright.

The String Ensemble was a newly formed group this year at Taylor. The group of violinists and celloists presented music at various functions which included the Alumni Banquet and the faculty Christmas Banquet. The melodic harmonies of the seven musicians provided rich enjoyment for their listeners.

The Science Club

Probably one of the most interesting organizations of Taylor's campus is the Science Club. The demonstrations and discussions presented at their meetings have been educational as well as entertaining. One program was on organic evolution. This year the various divisions of the Science Department have each been responsible for a meeting. The Science Club members also took a trip to the Eli Lilly Company in Indianapolis. The members are striving to use all the experience and knowledge which they gained to show forth the greatest of their Omnipotent Creation.

A Cappella Choir

The A Cappella Choir again this year heralded forth the praises of God on campus, in surrounding communities, and in neighboring states. Their smiling faces and radiant testimonies as well as their variety of numbers were great blessings to those who heard them. Many student pastors, ministers and Christian organizations have invited the group to present their program, and these invitations have taken them to Ohio and Illinois as well as to various points in Indiana.

The choir began their annual two-week tour March 24. This year their itinerary included concerts in Indiana, Illinois, Wisconsin, Minnesota, Iowa, Nebraska, and Missouri. One feature which the choir has appreciated greatly this year is the new set of risers which they have purchased as this year's choir project.

The 40-voiced choir is directed by Eugene Pearson who returned for his second year at Taylor University. He comes to us well qualified having been a member of the Old Fashioned Revival Hour Choir. No one will ever know the blessings which our choir has meted out as the Lord has spoken through their singing. Undoubtedly, the greatest blessing which the choir experiences is that of they themselves being drawn closer to the Lord through their fellowship together and through their singing.

BAND

Under the direction of Dana Redman, the Taylor University Band played several concerts which included a broadcast over the Marion station WBAT. They presented an excellent variety of numbers which included selections from Bach to John Philip Sousa's famous marches, at a chapel program for all the students. At the intercollegiate games, the pep band aided greatly in boosting the school spirit. The Taylor Band also had the opportunity of entertaining the band members from Manchester College at which time the latter presented a concert which was climaxed with the two bands combining for the finale.

FOOTBALL

Graduation of men who had played football at Taylor for four years together had disastrous results for the 1952 Trojan grid squad. All-conference and All-state quarterback Don Granitz, who was probably the most valuable man lost, took over coaching duties for Taylor's fifth football season.

Led by halfback Don Callan, the Trojans were able to score only three times during the season. Callan scored two of the TD's both against Earlham's Quakers as Troy was smothered 52-12 at Richmond. End Norman Holmskog carried to paydirt for the Purple and Gold's other touchdown in the Manchester affair. Victory never came to Troy, however, in a single game.

Although the '52 season was the worst in Taylor football history, this was the first year the Trojans finished in the lower division. This season saw Troy the victims of the HCC as Taylor finished in the cellar.

High interest in Taylor's first spring football session plus appearance of new, experienced men gives promise of improvement of the grid sport in next year's Taylor athletic year.

Senior guard, Paul Scott from Detroit, Michigan, who acted as captain during the season, was voted the most outstanding lineman by his teammates. Halfback Don Callan was voted the most valuable back man and also the most valuable player.

Taylor's starting lineup offensively consisted of Harvey Hernandez at Quarterback, John Usry at Center, Don Callan and Dave Wheeler at Halfback positions, Joe Hawkins at the Fullback slot, Norm Holmskog and Dick Cesler or Walt Wanvig at Ends, Rex Gearhart and Nathan Price at Tackles, Paul Scott and Don McCluskey at Guards.

Coach Odle, James Kintner, Manager, Ken Wright and Forrest Jackson, Co-captains.

Coach Don Odle's highly-rated Trojans again copped the headlines and successfully defended their title as Hoosier College Conference Basketball champions to take their second straight undisputed league crown. The Trojans' 8 wins — 4 losses record finished them a full game ahead of second place. Manchester and Indiana Central each finished with a 7-5 mark.

Although co-captains Ted Wright and John Bragg were lost through graduation, the Taylorites gained a prize catch in Jim Sullivan, an all-state high school center from Muncie Central's two time state high school winners; also making the first ten were Freshman Nelson Linn from Gas City and John Bulza. These men, along with regulars Forrest Jackson, Howard Habegger, Kenneth Wright and Carl Honaker, ran up seven straight victories as the season opened before Troy went down to Superior State of Wisconsin.

Netters Finish With 15-9 Mark

Taylor's netters started out with a bang and won the ones they had to, to take the conference crown again, but the loss of Trojan Guard Carl Honaker had effect on the Odlemen, who were slow in reorganizing and working in a new man. Honaker, who was declared scholastically ineligible, was one of the squad's best defensive men and contributed 12 points a game. Don Callan and Nelson Linn interchanged in the vacated guard position.

Taylor lost four games by a total of seven points in a hard luck streak which saw the Trojans upset several times by close scores. Further contributing to losses were ankle injuries to Jim Sullivan, and illnesses to Howie Habegger and Forrest Jackson. All in all, however, the schedule was the toughest in Taylor history and the record does not tell the whole story, although the mark was one of the best in the state.

Jim Sullivan won the free-throw trophy with a .690 percentage. He also took honors by scoring 17.7 points per game to set a new state record for a college freshman.

Forrest Jackson was voted most valuable player for the second year in a row along with all his other honors of the state's leading scorer, all-state center, and all-American candidate.

The true spirit of Taylor was seen no better than at the basketball games where the cheerleaders, pep band, and students really got behind the team no matter what the score. The truly Christian spirit of team and Taylor spectators was appreciated.

Trojans Take Honors: "Jack" Sets Records

Newspaper men had predicted that Taylor would be merely going through a rebuilding stage for the season, but Taylor's 102-42 opening victory over Tri-State served certain notice that Taylor basketball was still something to shout about. Early wins over Wabash, Kentucky State and a terrific showing against big DePaul showed that the Trojans were out to cop further net laurels.

One-man laurels and publicity were loaded on Taylor's junior center, Forrest Jackson, as the East Gary center smashed the TU school record three times over during the year and went on to set a new all-time season scoring record for Indiana with 625 points to break Hanover's Andy Taff's mark of 601. Jack scored 63 points against Huntington to set a new school record. His final average stood at 27.2 for one of the top five in the nation. The Taylor team set a new record with a 115-59 win over Huntington. Coach Odle, not to be outdone by his charges, climbed into the century win bracket of college net coaches as the season gave him a 101 win total for his career. He was voted Net Coach of the Year in the Hoosier College Conference,

Coach Oswald and Harold Olsen, captain

Taylor University's long-running cross country team experienced a rebuilding year after having finished never lower than second in the conference but still managed to finish out of the cellar by taking sixth place in the HCC meet. Led by Dick Raby of Napoleon, Michigan, the harriers easily finished above Anderson's Ravens and narrowly were edged by Manchester and Franklin in a gruelling four-mile league meet at Earlham. Raby took 11th place, followed by Olsen who copped 14th in the affair. Duane Bishir led the Trojans throughout the season but was able to take only 30th in the HCC meet. Other men placing in order for Troy were, Forrest Jackson, Dick Corliss and Howard Kilbreath.

Coach Oswald mentored the hill-'n-dalers for this second straight year at the post. Harold Olsen, who captained the 1952 team, was voted the most valuable man trophy by his teammates.

Dick Raby crosses the line for Taylor

Taylor's track hopes for the 1953 season were bolstered mainly by the appearance of promising newcomers and underclassmen. Coach Chuck Oswalt could boast only five returning lettermen to rely on this season: Duane Bisher, distance man; Harold Olsen, captain and 880 and relay runner; Bob Warton, 440 and relay runner; Dave Wheeler, hurdler; John Wheeler, 880 man. Of these men, Olsen, Warton and Dave Wheeler placed in the Hoosier College Conference meet last season.

Newcomers that carry fair school track records along with the veterans gave Taylor hopes of placing in the upper division in HCC this season. Some twenty-two candidates reported for the cinder sport to lead the Purple and Gold in a real building year in a sport that has not been strong at Taylor for some time. Eight meets, including the Rose Relays, the HCC meet and the Big and Little State made up the schedule for the Trojan ovalmen.

Seniors Make Up Taylor Golf Team

Douglas Scott, Earl Hartman, Neil McDowell, Darwin Nutt,

Golf hopes for Taylor in the Hoosier College Conference were shouldered mainly by Seniors which made up two-thirds of the Trojan squad. The linksmen were out to cop an upper division place in the Hoosier league to maintain their record of past years. Doug Scott, who has been a member of the swingsters for four years, led the Trojans in their 1953 season. Other returners included

Neil McDowell, the other veteran senior, and Darwin Nutt. The card included two conference matches, two contests with Ball State and the HCC and Little State meet at Indiana Central.

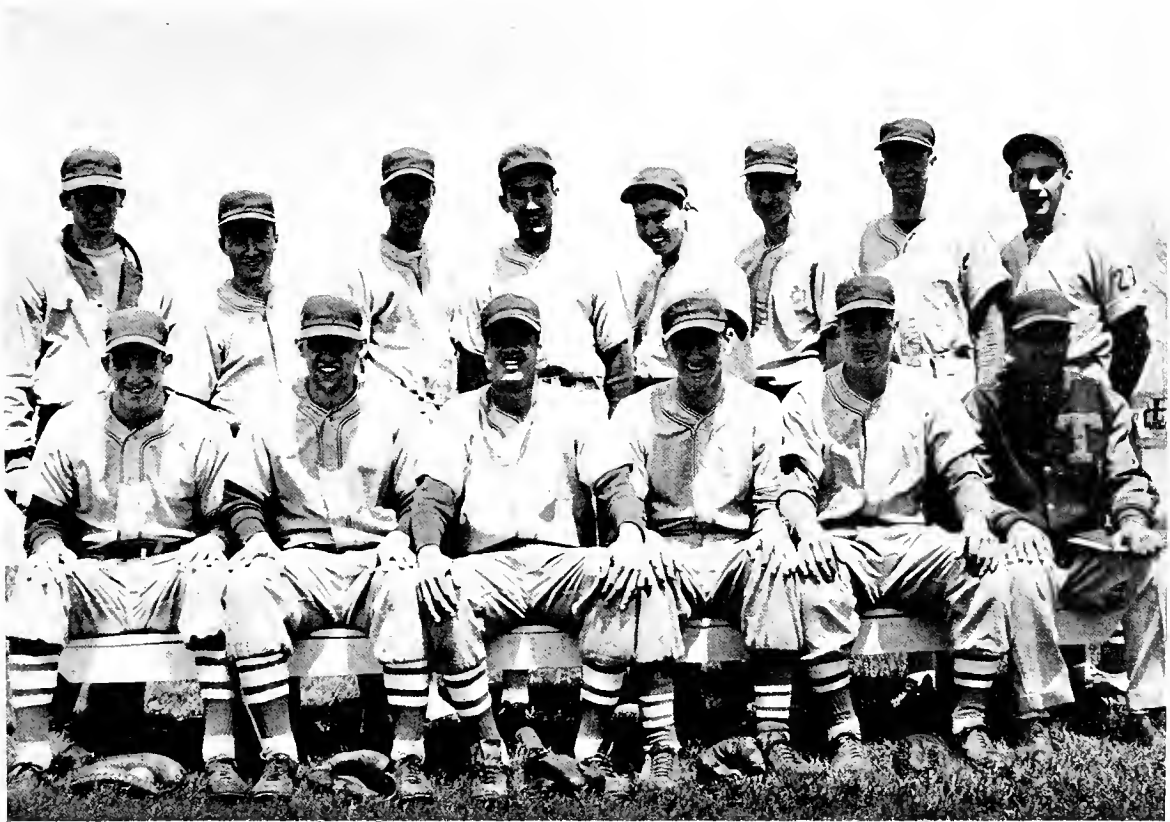

Racqueteurs Have Full HCC Card

Taylor's racquet-swinging tennismen saw a full six-game schedule with a match with each of the Hoosier College Conference schools for the 1952 season. Unlike other years when a conference meet was held, each of the matches counted, and the team with best season record was to be declared conference winner.

Senior Don Jacobsen, last season's MVP, led Troy on the courts with returning veterans Dave Pelton and Dick Steiner, making up the remainder of the experienced men. The team placed fourth in the HCC.

Rise Seen For Baseballers In HCC

Coach Don Granitz's 1953 baseball charges were out to climb into HCC title contention after finishing in the lower division for the first time last season. The Trojans, who won the championship along with Manchester in 1950, placed hope in their returning veterans and new fielders and pitchers as the season opened.

Harvey Hernandez, right handed pitcher, led the returning veterans to the Taylor baseball rosters. Other returnees included catcher Jack Augustine; infielders, Ken Wright and Bob Stoker; outfielders, Arnie Kamman and Darwin Nutt; and pitcher Rod Liechty. Newcomers that showed promise were outfielders, Jim Sullivan of basketball fame; Stan Reed and Art Edstrom, pitchers, and C. P. Tarkington, infielder.

The 1953 card included four double headers with two games being played with each conference school. Non-conference encounters included Ball State and Huntington College. Taylor almost copped their second championship but succumbed to two league schools at the end of the season to place third.

WAA

The Women's Athletic Association under the direction of Donna Colbert, President, and Miss Lois Wingert, sponsor, has seen one of its most active years on our campus. The organization has sponsored the girls' intramural sports which included basketball, volley ball, tennis, and softball. The WAA also attended a play day held at Hanover and returned with the top honors of the day.

The club has featured several activities which have included a party for the T-Club. They presented an inspirational chapel, using a stained glass window effect for a backdrop. It has been the desire of the girls to demonstrate that Christianity is applicable to all areas of our lives and especially to the area of sports.

T-CLUB

The T-Club, which is an organization of Taylor fellows who have earned letters in intercollegiate sports, has been very busy this year. Few realize that it is these men who must work out many of the details for Homecoming. They sold concessions at the games, sponsored the cheerleaders, provided ushers for Youth Conference, and held an all-sports banquet at which time letter awards were made. The T-Club participates in a great variety of sports which includes football, basketball, baseball, cross country, track, golf, and tennis. Throughout their whole program the T-Club makes Christ the supreme Captain of their team.

Intramural Program Sees Action-Packed Year

High interest was again shown in Taylor's intramural athletic program as the program saw numerous sports enthusiasts participate in football, basketball, softball, and table tennis. Junior physical education major, Forrest "Jack" Jackson, was student manager for the 1952-'53 intramural program.

The Sophomore class started out the year by capping the touch football crown by defeating the other three class teams. The "Sophs" edged out the Junior class for the crown in a rough-and-tumble game.

The senior class won the class basketball championship for the fourth year in a row that the class of '53 have won the title. The Seniors downed the Freshmen in the title-deciding fray. The commuters won the twelve-team intramural organized team title by defeating the Wisconsin third floor West team in an overtime game 54-47.

"Whitey" Hansen and "Hersh" Engebretsen were the favorites to battle it out for the table tennis title again. Hansen defeated Engebretsen for the title last year. The Juniors were out to win again in softball, being led by Ivan Niswender, pitcher.

Betty Blom, Carolyn Smith, Carol England, EvaLou Dillon, Delite Lieske, Miss Lois Wingert, Dorothy Burgess, Nancy Jacobsen, Marilyn Lavigne, Marlene Short.

Trojanes See Another Successful Year

Taylor's reputation for good basketball saw no exception in the female sex's hardwood activity as the TU Trojanes rolled on to another victory-studded season. With new coach, Lois Wingert, a Pomona College graduate, the girls' net squad defeated such teams as Butler University, Hanover College and Indiana Central, while they lost only to Franklin College in an upset and Kalamazoo in a hard-fought game.

The Trojanes carried a roster that had one hundred eight

depth in numbers as well as ability. Returning veterans that sparked the outfit were, Phly Miller, Eva Lou Dillon, Nancy Jacobsen, Donna Colbert, Marilyn Lavigne, Dorothy Burgess, Violet Goldsworthy and Eloise Gerig. Newcomers to the 1953 squad were led by scoring threats Carol "Casey" England, Marlene Short, and Delite Lieske. The season was highlighted by the Trojanes' winning of the Hanover basketball play day in the Hanover Gymnasium over Butler, Indiana University and Hanover College.

Missionary
Missionary Technical
Pastors Course
Sacred Music*

At MBI you'll enjoy true fellowship with a large faculty, who devote all of their time to the task of training young people for Christian service. As a member of a remarkable Christian community, you'll feel that your individual progress and spiritual growth is a matter of concern to every employee in the Institute family. You'll find a thousand other young people in the student body from churches all over America.

Moody's tuition-free courses provide an excellent knowledge of the entire Bible. They're planned to ground you firmly in the fundamental doctrines of the Christian faith, and—because MBI stresses “doing” as well as “hearing” the Word—to give you the best possible experience in personal soul-winning and practical Christian work. Students use the vast Chicago area with its many churches and institutions as a clinical laboratory to obtain valuable experience.

by

EDWARD C. KURTZ

Author of “And Behold the Camels
were Coming”

It is the most convincing presentation of the trustworthiness of Scripture we have ever seen. Every stepping-stone of thought is laid by the WORD OF GOD, continuously quoted with expositional dexterity. Devotional, expository, prophetic, prodigious research, staggering contrasts, logic, pathos and humor — are all here in fascinating reading. The WORD x-rays and plumbs the depths of things happening, and reads aright the symptoms of the Age. It puts Time's puzzling pieces where God is putting them in the weaving of His resplendent Tapestry.

Four New Fields in 4 Years

God has given the green light, and Team has stepped ahead into whitened harvest fields. In addition to new missionaries for these areas, this mission is considering applicants for older fields: South Africa, Southern Rhodesia, Formosa, Japan, India, Pakistan, Tibetan Frontier, Portugal, and South America.

THESE THINGS MAKE THE DIFFERENCE!

TAYLOR UNIVERSITY HAS PERSONALITY

Colleges with outstanding personalities are like other schools in most respects; they differ in a few things in which they excel. So it is with Taylor.

Two of the things which set Taylor apart are its recognition of the sovereignty of Jesus Christ and its emphasis on the importance of the individual. Both are essential elements of a free America and a free world.

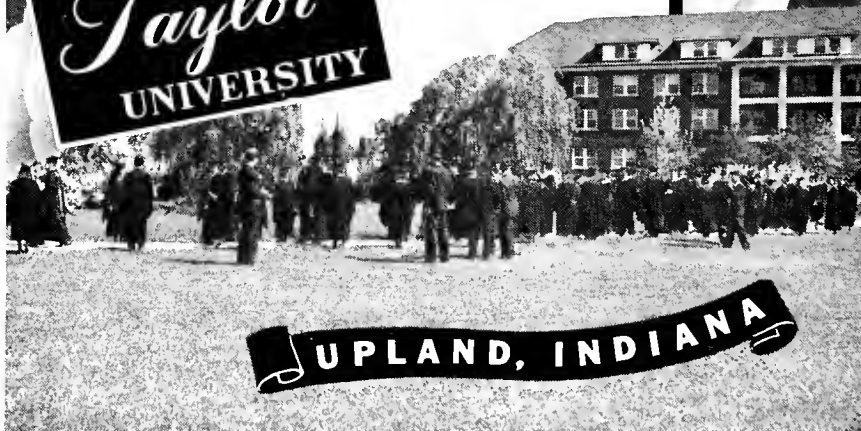

Taylor takes satisfaction in the stand its graduates take for freedom whether they work in the ministry, in the professions, in the schools, or in business . . . at home and abroad.
